

BRING BROADBAND TO BALCOMBE

Broadband is a fast connection to the internet. It is good for business, education, entertainment and much more. And it is cheap.

We can only get broadband if enough people **register an interest with BT**. If everyone registers, Balcombe could have broadband within a month.

To register, write your name, postcode and telephone number below.

You are not signing up for anything. **THERE IS NO OBLIGATION OR COST**. You do not have to own a computer. **Do this for Balcombe**.

Please use CAPITAL letters. If you have two telephone numbers, register both.
